PERSONAL PROFILE

A passionate and diligent web application developer with a solid foundation in both front-end and back-end technologies. I am also a quick learner with a good capability of self-studying. My personal goal is to be an effective team player and a dedicated employee.

SUMMARY OF QUALIFICATIONS

- Current student at Centennial College in the Software Engineering Technology
- AI program with a strong interest in Software Development and Web Developer.
- Computer skills include proficiency in Microsoft Word, Excel, PowerPoint, and Visio.
- Experienced in team-based collaborative project work.
- Good grasp of programming languages: C#, Java, Python, HTML, CSS, SQL, JavaScipt.
- Familiar with SQL Server and MongoDB database systems.

EDUCATION

Advanced Diploma: Artificial Intelligence, Software Engineering Technology
Centennial College, Toronto, Ontario, Canada. Sep 2021 – Present

My academic journey in web development was enriched by this program, including C# Programming, Advanced Database Concepts, and Client-Side Web Development, and practical, hands-on experiences in small class settings that emphasized applied knowledge. Through collaborative projects and individual exercises, I mastered front-end responsive web design using HTML5, CSS3, jQuery, and JavaScript

Relevant Courses Completed:

C# Programming
Advanced Database Concepts
Client-Side Web Development
IT Project Management
Java Programming
Web App Development
Software Testing & Quality
Big Data Tools
Software System Design Big Data Tools
Data Structures Algorithms
